

Samson Dec 3<sup>rd</sup> 1949.

- ① Performance - Very good but Chorus did not really know the work  
It was lucky that things went well
- ②. Collection £10-9-0. Attendance poorish - cold night. St Mary's church too cold in winter. Suggest April concert be given in church and winter concert in Chancery Institute. If orchestra available - always in Chancery.
- ③ Programmes - very good - over £12. Every member took 5 and many a lot more.
- ④. Isabel Sage very fine singing.
